

Where Sites & Sponsors Come To Make Progress!

Why Attend Summit in 2026?

Largest gathering of Sites, Sponsors & CRO's where change is happening.

2025 Highlights

The Industry Showed Up

| 2,400 attendees from Sites, Sponsors & CRO's

Sites talked to real decision-makers from Sponsors

| 58% of Sponsor and CRO attendees were director level or above

Top Pharma came to Collaborate

| 17 out of 17 global pharmaceutical companies were at Summit in 2025

All Types of Sites Engaged

- | Site Networks
- | Academic Medical Centers & Health Systems
- | Professional Research Sites
- | Community-based Sites

"We've had lots of opportunities to be face-to-face with sponsors and CROs and we just don't get that in other conferences."

-Theresa Oswald
Director, Research Operations and Conduct,
Lurie Children's Hospital of Chicago

Don't miss the largest gathering
of Sites, Sponsors & CRO's where
real change is happening in 2026!

What's Different about Summit?

Learn without Distractions

| A place just for Sites, Sponsors and CRO's to directly connect

Customer-lead Presentations

| Hear from your peers what is and is not working and skip the sales pitch

Progress on Site and Sponsor Collaboration is the Focus

| **WORKSHOPS** simulating everyday challenges so Sites and Sponsors can work better together on behalf of their patients

| **CASE STUDIES** from Sites and Sponsors about transformation

| **NETWORKING EVENTS** helping Sites and Sponsors make meaningful connections

| **READOUTS** on progress made from Site and Sponsor advisory councils working towards real solutions

| **ANNUAL SURVEY RESULTS** announced to help sites and sponsors pinpoint current opportunities for change

| **FACETIME WITH THE PEOPLE BUILDING THE SOFTWARE** capturing and incorporating user feedback

| **PERSPECTIVE** learn more about the challenges and opportunities from the other side so we can make progress together

Registration is complimentary

Access is free for Sites, Sponsors & CRO's

"I've had a really incredible time talking with different sponsors and CROs and having a seat at that table for the first time has felt like there is a shift coming in the industry."

—Alisha Garibaldi
CEO and Founder, Skylight Health Research

"So attending the summit is really seeing my partner stakeholders really doing what we do effectively and bridging our experiences and ideas and moving things forward for clinical research."

—Nancy Sacco
Head of Clinical and Site
Operations, SiteBridge
